

Clinic Nurse Practitioner

Manteca, CA

Salary DOQ

Initial screening of resumes will begin on November 11, 2022

San Joaquin Health Centers (SJ Health) is a mission-driven non-profit dedicated to providing top-level service to our clients at each of our clinics. It takes a dedicated and unified team committed to our core values of Patient-Centered Care, Integrity, Excellence, Diversity, Collaboration, and Community Focus to achieve this goal. We are seeking to staff a new primary care clinic in Manteca CA.

What we need

We are seeking a dedicated and compassionate Nurse Practitioner to provide primary care medical services as part of a care team; perform physical examinations perform clinical management of cases within the scope of competence following standardized procedures; and coordinate the care given by other medical specialists, sub-professional staff, and other agencies. A complete job description is available.

We require completion of an approved Nurse Practitioner training program from an accredited college, university, or certified program. Prior experience in an outpatient setting is highly desirable. We also require current registration as a nurse and certification as a Nurse Practitioner in the State of California; current possession of a furnishing license through the State of California, Board of Registered Nursing, or ability to obtain a furnishing license within one (1) year of employment, and the ability to become credentialed and granted privileges. Possession of a valid California driver's license.

What we offer

This is a full-time benefitted position. We offer a competitive salary and benefits package including health, dental, vision, and life insurance, a 403 (b) retirement plan with employer match, and generous holiday, vacation, and sick leave. Applicants must be available to work during clinic hours which are generally from 7 am to 9 pm (7 pm on Fridays) and may include Saturdays from 8-5. Clinic hours vary based on the needs of the patients of each clinic.

Other information:

Candidates who are conditionally offered employment will be required to successfully complete a background investigation which may include verification of education, license/certification, and criminal history checks, and a preemployment physical, drug screen and Tb test. In accordance with State and Federal laws we do verify your right to work and any other requirement for a clinic receiving federal grants to serve the medically underserved community.
